SANDY

**coming out
of my shell**

photography by matti klatt

Hey, it's Nikki the intern. Some of you may recognize Sandy from her centerfold in the September 2007 issue. Well, the former Teen Queen of the Month came to California for spring break and decided that she—and the twins!—should stop by and say hi.

About Sandy: I'm just a regular country girl. I love anything outdoors. I love to be with my friends and to make people laugh. I'm up for anything—as long as it's fun!

How's your spring break going? I'm having a blast! My girlfriends and I have just been partying and looking for hot guys. I love the snow back home, but not as much as I love the sun out here. The less clothes I have to wear, the better!

Are you still single? Yeah. I'm not big on the whole dating thing. I had a boyfriend for a while—until I found out he was cheating on me.

Aww! I'm so sorry. How are you dealing? It's fine. I'm fine now. I keep telling myself that I'm better off.

Do you like being single? I miss having a boyfriend *sometimes*, but whatever. I'm too young to settle down now anyways.

What part of a guy's body do you like best? Butt, pecs, eyes. But a guy's heart is what matters. Just because a guy has buns of steel doesn't mean I want to date him. I might *drool* over him....

What's something that your friends might not know about you? That I'm *constantly* horny? No, they know that. That I have a *huge* crush on one of my (platonic) guy friends? *Oops!* Oh, crap! I shouldn't have said that. Now he's going to read this and know!

Who's your biggest celebrity crush? Zach Braff. He's so cute, in a nerdy kind of way, and his writing and humor make him even more attractive to me.

Do you like oral sex? Yeah. Who doesn't?

Have you tried anal sex? I tried it once. I didn't like it. It hurts!

What's the wildest sex you've ever had? Well, the wildest was when I basically had an orgy with my girlfriends. It was a bunch of us just fooling around, but it got out of control. Let's just say I tasted at least three different flavors of pussy!

What made you decide to start posing nude? I needed to come out of my shell a little bit.

Any interest in doing porn movies? I'd be lying if I said I wasn't curious. But I don't know if I'm ready to have sex on camera with complete strangers.

Would you feel more comfortable if it was with a girl instead of a boy? Oh, yeah. I would *pay* for the chance to play with a hot girl. There are a lot of porn stars who are just gorgeous.

When will you come back for another layout? Anytime you want me! ★

PANTY CONTEST WINNERS

Omigod, you guys, this was the hardest Panty Giveaway Contest ever. The hardest six contests, that is. Yep, six of our models offered up their undies as prizes in our December 2007 issue. These girls must have been even cuter than we thought, 'cause they inspired the hottest, sweetest entry letters we've ever read. Plus, there were so many entries, they could have filled a whole issue by themselves! Anyway, after weeks of judging, we finally picked the six winners. And here they are! Congratulations, guys!

VERONIQUE

Dear BARELY LEGAL,

I am writing this letter to win Veronique's underpants so that I can wear them on my head and INHALE the fragrance of her sweet musk. If I am chosen to be blessed in this way, I intend to pull the crotch of her panties over my nose and peruse Veronique's exquisite pictures through the leg holes. Then I will close my eyes and imagine that I am truly with her! What a privilege to be the man that has his nose upon her gorgeous ass and his tongue tasting that tender, tempting twat! I am in love with Veronique, and I love BARELY LEGAL!

Sincerely,
M. H.
New York

Dear BARELY LEGAL,

One can have anything one desires or accomplish anything one sets out to accomplish—only if one can hold to that desire with a singleness of purpose. And of all the things in the world, I will give my all to filling my desire to win Kara's beautiful panties. Every time I open the December issue, all I can think about is Kara's delicate, sexy, beautiful, round ass. Kara is by far the hottest thing to arise since the sun. She is a tornado wrapped in a hurricane of hotness! She is so incredibly hot that I am the only one who can extinguish the flames in her panties.

If I won Kara's panties, every day I would fantasize about being her fireman coming to ring her alarm. I would arrive on my fire-truck bed, only to hear the flames in her panties burning. With her lying there, and the inferno of sexual passions increasing, I would rub my hands all over her tight body to feel which area was scorching the most. It would be her downstairs window. Then, as the flames grew, I would extend my meat ladder inside her downstairs window and extinguish the fire by slowly and passionately penetrating the scorched area until her soft moans got louder. Then as the flames burned out downstairs, I would release my man paint all over her tits to prevent the upper level from catching fire.

Please put out my fire by fulfilling my desire to win Kara's panties.

Your Panty Fire Inspector,
SSgt. Jeremy S. Michaels
New Mexico

KARA

ERICA

Dear BARELY LEGAL staff,

When I laid eyes on Erica, it was like I fell in love for the first time all over again. I mean, that hot body, those round, perky boobies and that beautiful, full bush. What I wouldn't give to run my tongue through her bush. I would do my best to make her utter those famous words, "I don't think we're in Kansas anymore."

If I were to win this hottie's panties, call me a freak, but I would wear them one day with my manhood hanging out the bottom. I would be so horny all day long just thinking about the beautiful bush that they had been around. Then when I got home after work, I would probably come three or four times just thinking about fucking sexy little Erica. She is indeed a HOTTIE, and my hat's off to whoever found that tight little piece of ass. Like the article states, she is in the pink. Well, I would very much like to be face-deep in her pink. While I know that's not going to happen, having her precious pink panties to dental floss with is not a bad consolation prize.

I love you, Erica—ALL OF YOU! I'll be having nice wet dreams about you.

Sincerely yours,
George Baskins
North Carolina

Dear BARELY LEGAL,

Let me start off by saying I LOVE ASIAN GIRLS. I think Asian women are the most beautiful women on the planet...heck, in the entire universe! When I saw the "Next month in BARELY LEGAL" page in the November 2007 issue, I saw the face and body of an absolute goddess. Her name is MINAMI. I not only began to craft my "Why do I want to win MINAMI's panties" letter, I also began to count down the days until my December issue arrived in my mailbox. At that time I knew I would see the girl of my dreams, MINAMI, completely nude, and I'd have a chance to win her panties. Oh...her lucky, lucky panties!!!

When the December issue did arrive, I tore off the wrapper like a kid at Christmas! Before the wrapper hit the floor, I was already on page 66 gazing at the girl of my dreams and Teen Queen of the Month, MINAMI. I was only looking at her first picture (the only one with all her clothes on!), and I was already fully hard! MINAMI's pictures got better, and I got harder with each page. I have subscribed to your magazine for a long, long time. This is the first time I have been moved to write to you! BARELY LEGAL has featured thousands of beautiful, completely nude young girls, but MINAMI is by far my favorite of all time!

Let's start at the top! MINAMI, you have a face, lips and neck that should be kissed...and often! MINAMI, you have absolutely beautiful breasts and nipples. Oh, how I'd love to spend hours sucking and licking them. I'd love to kiss and suck on your belly and slip my tongue into your sexy belly button and swirl it around. Then I'd lick, suck and kiss my way down and up your beautiful, shapely legs until I reached the promised land, heaven on Earth, your wonderful, beautiful, sexy, hairy pussy! If I had the chance, I'd spread your beautiful legs wide open and lick your pussy and clit for hours, listening to you moan in total ecstasy. I'd lick your pussy so deep, I'd tickle your lungs with my tongue. Then I'd suck and lick each and every strand of your wonderful, luscious pussy hair. This brings me to your panties—your lucky, lucky panties!

MINAMI, I'm sure if anyone listened outside your dresser drawer at night, they'd hear the voices of your panties. They'd hear your panties thanking God that they get to press against and smell your sexy pussy and soak up your sweet pussy juices every day. Your panties would be grateful that they get to brush against your wonderful mound of luscious pussy hair.

If I won MINAMI's panties, I would keep them in my pillowcase so I could sleep with them and smell MINAMI's sweet scent every night, thus guaranteeing sweet dreams! I know MINAMI's panties would be a good-luck charm—after all, look how lucky they have been so far!

Please, please, please prove to me that MINAMI's panties are good luck...tell me that I have won them! And please invite MINAMI back for future pictorials, so everybody can win by getting to see this beautiful Asian goddess completely nude and smiling again.

"Joe Cool"
Maryland

STEPHANIE

Dear BARELY LEGAL,

I gotta have Stephanie's panties. She's absolutely gorgeous. My mouth is still watering. She's definitely one of my favorites, with those sexy legs, tight ass, big doe eyes and that fresh, pink pussy. I can only be teased for so long. Since I'm not the last man on Earth, I know I'd never get the real thing. So just a whiff of her would be sheer ecstasy, like the first time I ever rubbed one out. So I'm begging you, send me those panties.

Yours,
R. D.
Connecticut

Dear Cassandra,

I would love to win your panties because OH! BOY! I will just start with your awesome titties. I would just lay on them ripe melons for days, in titty heaven. You remind me of the type of girl that's fun and outgoing—like, when you wanna get sprawled out on the kitchen floor and fuck, that's what you do. Which you know makes life much better.

Anyway, if I won your panties, I would wear them on my head for weeks, hoping you would come back and collect what rightfully belonged to you, your panties, and then I would dream about sucking the milk right out of those giant jugs. Then I would fuck you *soooooo* hard. I would come so hard, it would be like taking a piss after driving and drinking for about four or five hours to Las Vegas through the middle of the desert. And the squirt would not be clear at all. It would be so creamy and sticky, it would look like milk and stick to the ceiling. Now the fun begins. Now you can lick it all up and swallow it just like you like it, baby. Then I would be pooped for about three days, and we could go again, ain't that right, baby?

So please, pretty please, can I win your awesome panties? I promise I will keep them for eternity and make up a damn good story to tell all my friends at home.

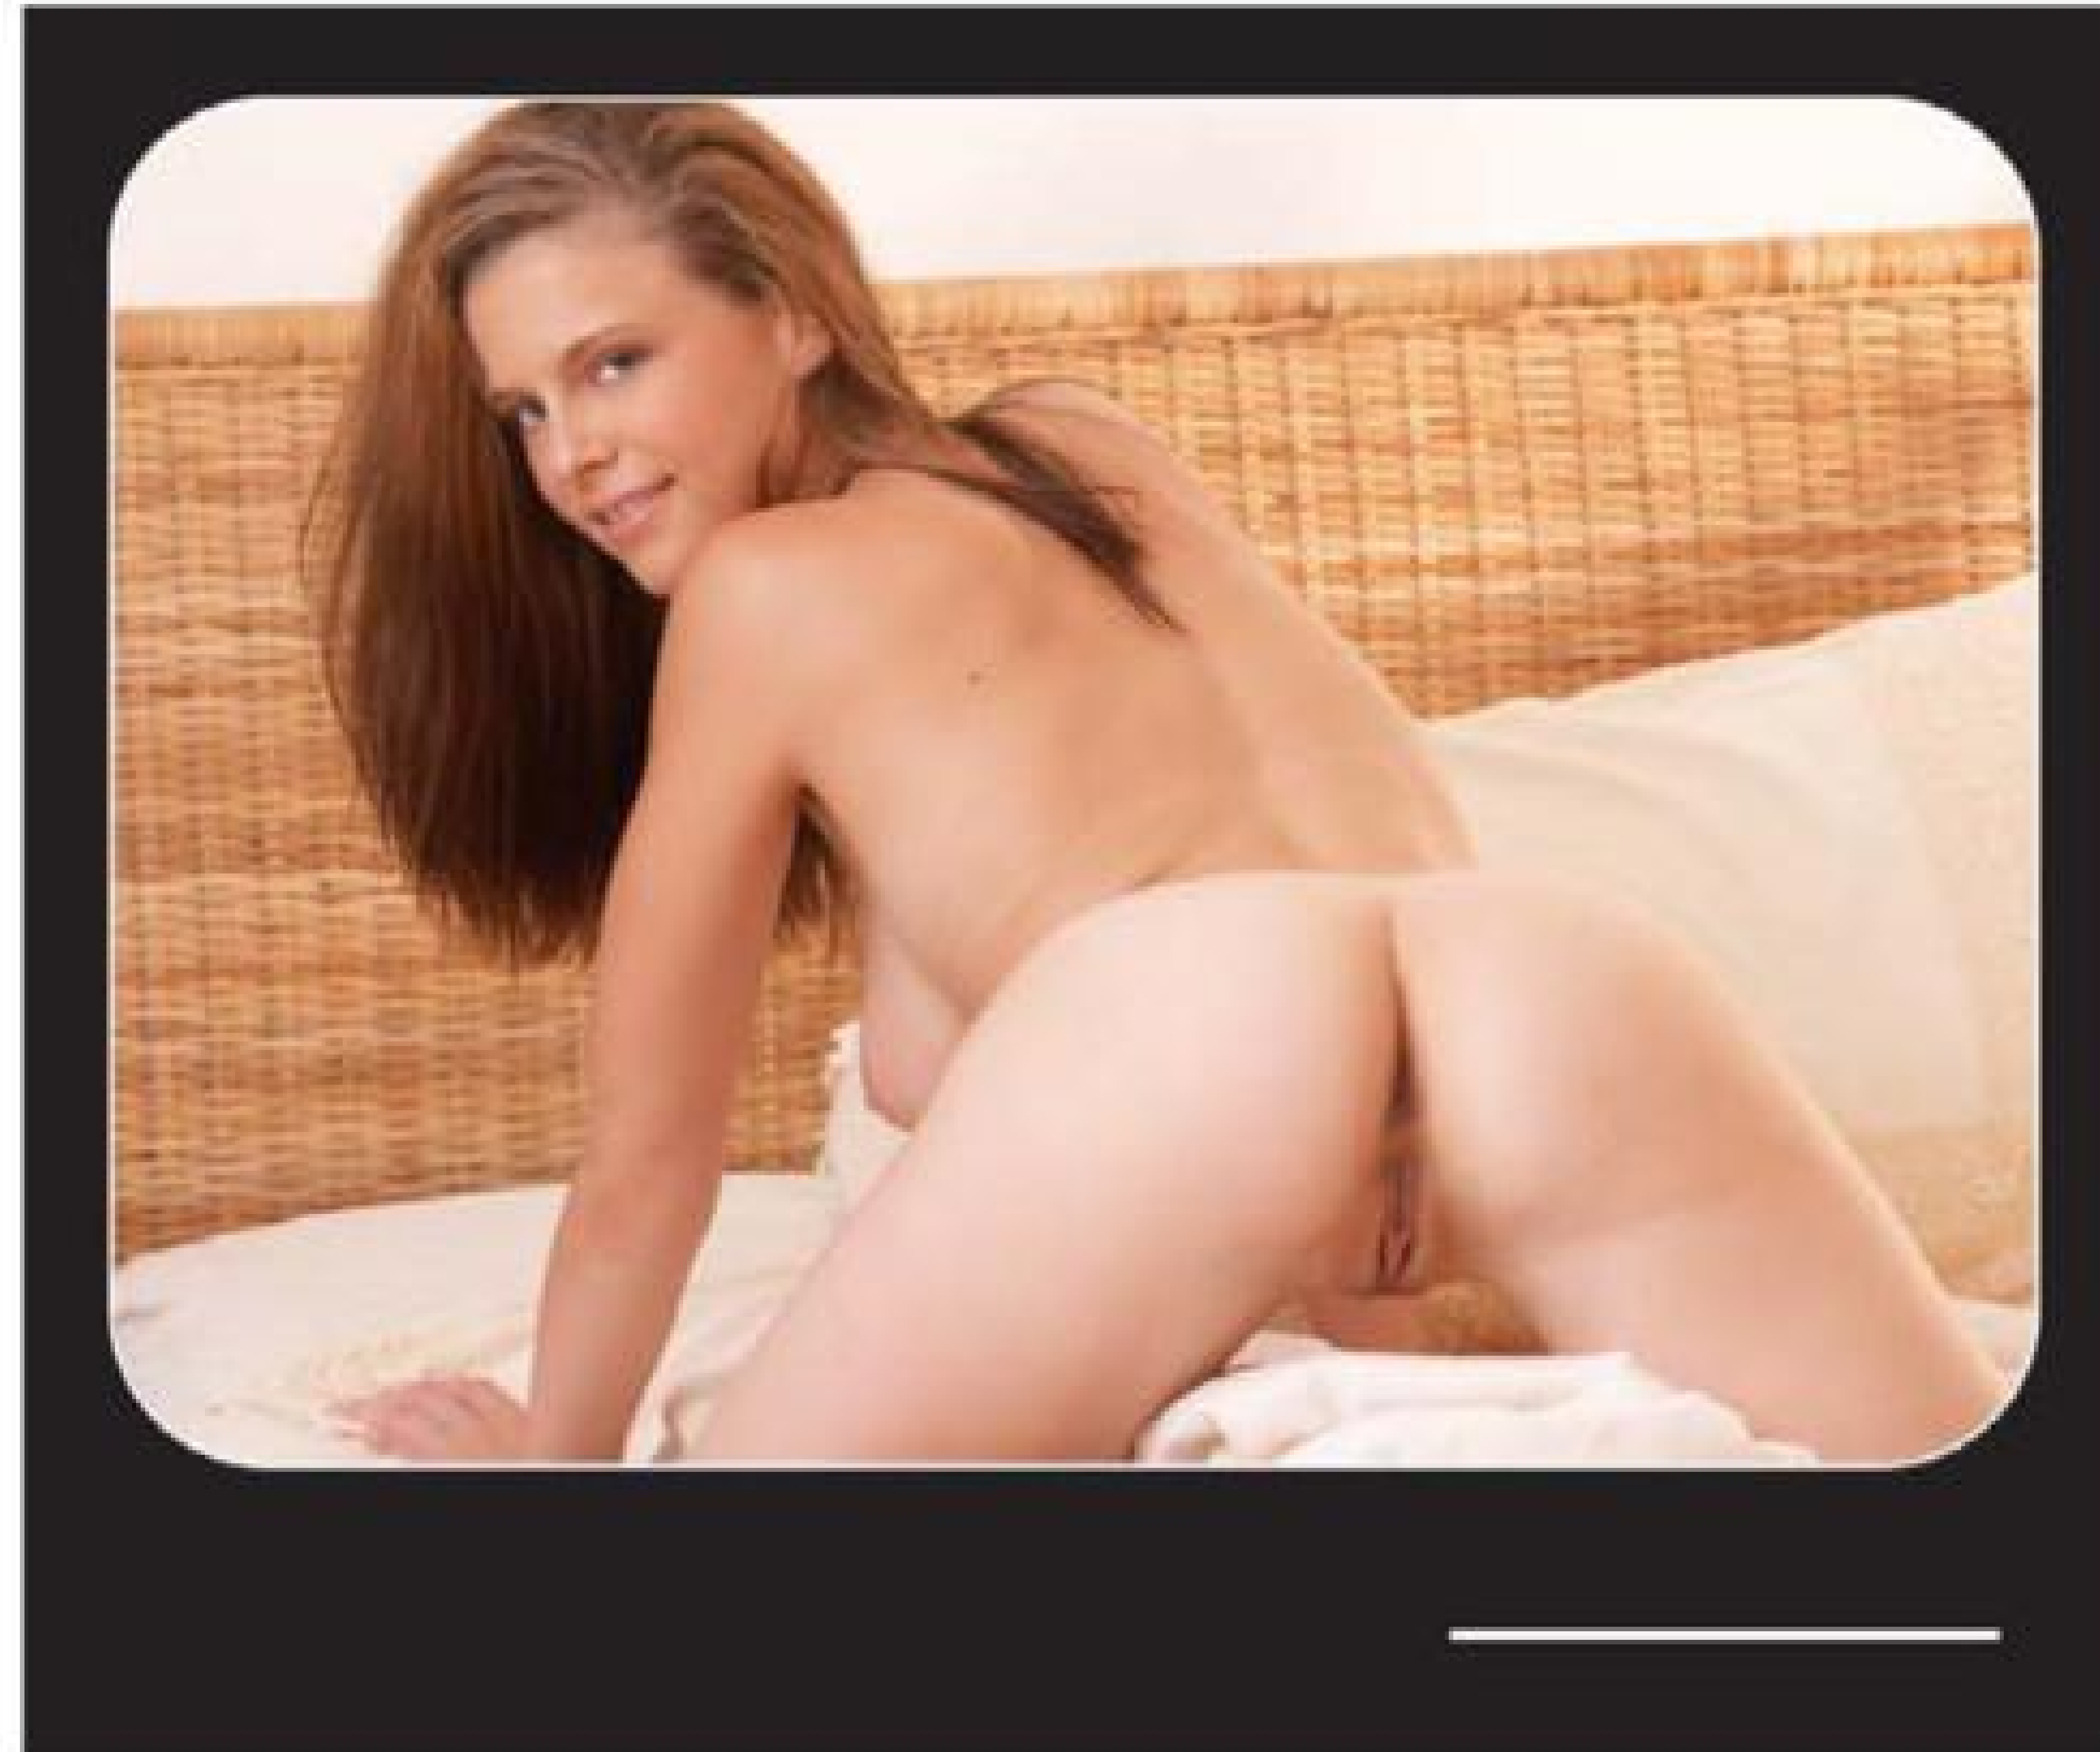

Thanks, Cassandra, for the great, fantastic time.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. Spring is almost here! Spring always make me think of rain, and rain makes me think of wetness, and wetness makes me think of BARELY LEGAL and the many, many pairs of panties I go through putting together an issue.

So many things are making me drip in my drawers this month: Sandy and her *impossibly* pink nipples; Danielle's cute smile (doesn't she totally look like Willow from *Buffy the Vampire Slayer*?!); Mallory's super bold pictorial shot right out in public for the whole world to see....

I got positively *goeey* seeing one of my fave porn stars, Kathleen Kruz, in pics taken back when she was just a BARELY LEGAL babe. And Lara and Marina's lesbi-antics caused a *major* undie flood. But I was *still* not prepared for our Teen Queen of the Month, Tori Black. She is SO perfectly gorgeous, I'm crying in my eyes and my pussy at the same time!

I think I better ask my bosses to install a washing machine—or maybe spring for a bigger undie allowance. Seriously, I'm a sticky mess. How about you? ;)

Well, if you are watching Maria Sharapova play and your eyes are glued to anything but Maria, you are just D-U-M dumb. Seriously, if you turn your head for one millisecond, you could miss a flash of her teeny “shorts” (panties, basically) or a scratch of the upper thigh or—OMG—*full-on cameltoe*!

Lucky for us and BARELY LEGAL readers, cameras don't miss *anything*. :)

Young Jane

Young Bridget

JANE & BRIDGET FONDA

by nikki the intern/
film scholar

I just watched this Lindsay Lohan movie called *Georgia Rule* (don't bother—she's fully clothed), and in it there's this actress named Jane Fonda who's like a thousand years old playing Lindsay's grandma.

Well, I did some research and found out that back in the barely legal day, Jane was a red-haired, smokin'-hot bad girl—in other

words, the Lindsay Lohan of the '60s! Check out these pics from *La Ronde* (1964) and *Barbarella* (1968). Hardly anybody used to be nude in movies back then, but that didn't stop Jane!

Also? Her career influenced her niece, Bridget Fonda, in an awesome way. Bridget stripped bare naked in her very first film, *Aria* (1987), then flashed her cute titties again in *Scandal* (1989).

Lohan, if you want to be a serious actress, too, you'd better get crackin'!

VANESSA HUDGENS YOUNG CELEB FANTASY

Did we ever tell you guys our main pet peeve in life? It's secret BARELY LEGAL girls. Vanessa Hudgens of the Disney Channel's *High School Musical* is one. She's all, like, sweet and pure, singing corny songs for little kids and being a role model or whatever. But secretly? She's taking naked photos and e-mailing them to her costar Zac Efron!

The reason we know is, the pics got leaked all over the Internet, and we actually saw them. Only, we're not allowed to publish them 'cause they're *private*. It's so unfair.

Well, Vanessa, since you won't show us your true colors (pink), we'll just have to paint our own version!

Which young celebrities would *you* like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture; no such picture of Vanessa Hudgens actually exists. This composite fantasy picture is altered from the original for our imagination, does not depict reality and is not to be taken seriously for any purpose.

DANIELLE
anything but
ordinary

photography by dave antony

Hey, it's Nikki the intern, and I'm here with Danielle—a sweet girl with even sweeter jugs! Danielle's a high school senior who's looking forward to taking college courses—and dating college guys—next fall.

About Danielle: I'm anything but ordinary. I am very random and spontaneous, and I don't care what anyone thinks of me.

Hobbies: I like to read, and I like drama. In the summer, I go cruisin' in the Jeep with my friends, and I go swimming a lot.

Personal motto: "Old enough to know better, too young to care."

Are you single? Yes.

Do you like being single? I like the whole single, party, fun thing, but I *love* the whole taken, he-loves-me, I'm-his-girl thing.

What was your first time like? It was *very* special.

Have you ever cheated on a boyfriend? No.

Have you ever been cheated on? Yes.

Have you ever had sex with two or more guys in the same day? Yes.

Have you ever had sex with two or more guys at the same time? Not yet!

What do you look for in a guy? I like older men because they know what they want, and they know how to treat a lady. I want a man who's funny, smart and gets me—someone I can chit-chat with.

What turns you off? A cocky attitude.

What part of a guy's body do you like best? Eyes.

What part of your body do you like best? Boobs. Whenever I take my shirt off in front of a guy, he's always amazed at how big my boobs are. I guess I hide them well. I don't usually wear sexy clothes or anything.

Do you like oral sex? Sweaty balls are definitely an acquired taste, but I *love* it when guys compliment me on my blowjob skills.

Have you tried anal sex? Yes, a couple of times. I don't see why some girls freak out about it. It feels good! Case closed!

Have you ever exposed yourself in public? I streaked across a golf course once in California with my friend Michelle. That was fun!

What's your most embarrassing moment? I wrote a dirty love letter to my crush—not that I would have *ever* given it to him—and the teacher took it and started reading it to the whole class until he got to the part where I talked about sucking dick, and he got *totally* red-faced. I was in detention for a whole week. Thank God no one knew who it was about!

What's the naughtiest thing you've ever done? Given a blowjob in a movie theater.

What are your plans for the future? To be a famous actress *and* a badass scientist, like a quantum physicist or something.

Did you like posing nude? Yes! I like the spotlight. I was super nervous at first, but my friend was like, "You've got a lot to offer. Besides, if guys want perfection, they can always buy a Barbie doll." ★

The tan-lined teen is obviously adventurous, but confesses that she's also "sort of shy." We'll say! Her favorite sexual position is missionary, and her fave sexual activity is cuddling! But she's not *totally* sweet and innocent—Honey's had sex in the jungle, she fantasizes about being with two girls, plus, she says, "I can be a little flirt." Also? She's naked in a magazine! Thanks, Honey, for shedding your shyness...and your clothes!

—photos by friend

Sweet Sadie, 18, moved to California to be a nude model, and we think she's so totally going to make it—partly 'cause she's "motivated," but mostly 'cause her body is completely perfect! From her B cups to her booty, Sadie stays in shape by being active—she's into volleyball, water sports and motor sports. "Sex in risky places" also keeps her fit, and her favorite daredevil move is to give head in cars. (Does that count as a motor sport?) She's tried anal, too, but there's nothing *too* freaky about Sadie. She's just a "nice, sensitive girl" who's "more please than tease." Well, you sure pleased *us*.

MALLORY

**the opposite

photography by jana krenová

Age: 18
Height: 5-7
Weight: 118 pounds
Measurements: 34A-24-34
Hometown: Ypsilanti, Mich.

Hey, it's Rachel the intern. Mallory is a brave girl who loves to get naked outdoors. We thought for sure she'd get busted and we'd get in trouble, but she says she does this sort of thing all the time. And if the cops *do* catch her, they always let her off easy!

About Mallory: I love long walks on the beach and reading poetry—not! I like Rollerblading, running, swimming, singing—way off-key, but who cares?—dressing up and feeling pretty and, of course, like all normal girls, *shopping*.

Favorite movie: I'm a total freak for *Star Wars*. Sometimes I'll even dress up like Princess Leia in *Return of the Jedi*.

Favorite music: I like a bunch of different music. My number-one fave song is "Hurt" by Christina Aguilera.

Do you have any brothers or sisters? I have an older sister. She's pretty cool, I guess. We're pretty much inseparable—'cept when I'm getting naked. She's shy, unlike me!

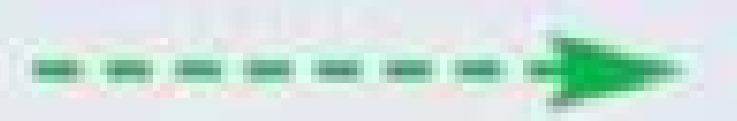

Do you have a boyfriend? Not really. I go out on dates occasionally, but I'm not serious with anyone.

What do you look for in a guy? I love guys who are funny, cute and smart!

Have you ever been with a girl? Not yet. But I want to.

Biggest turn-on: An Aussie accent.

Biggest turn-off: Rudeness.

Who's your biggest celebrity crush? This might seem kind of random, but I'd have to say Scott Michael Foster from the TV show *Greek*. I think he is *soo* hot, and he seems really normal and down-to-earth.

How often do you masturbate? Never! Well, okay, sometimes—a little!

Do you like oral sex? Of course. When a guy goes down on me, it's like a "get out of jail free" card. I don't care what he did wrong, he's instantly forgiven.

Have you tried anal sex? I'll try anything once! Butt sex was...interesting. But it's not my thing. Unless someone out there can change my mind?

What's your favorite sexual position? I like them all. But one of my favorite things to do is push a guy down and climb on top of him!

What's the best sex you've ever had? Sex on the beach at sunset. A cop came by, but he didn't bust us. He just asked us if we were feeling a little chilly.

What's your ultimate sexual fantasy? *Um*, really passionate, rough sex with a stranger. But I'd probably be scared if that *actually* happened.

What are your goals for the future? I don't know. I'm still in school. I haven't decided what I want to do with the rest of my life yet.

Do you like nude modeling? Of course! It was such a turn-on. Every girl likes to feel sexy. ★

KATHLEEN KRUZ

a star is boned

photography by red velvet

Hey! It's me, Lindsey. So, the other day I was doing some spring cleaning around the office, and I found these totally awesome photos of Kathleen Kruz! You've seen her, right? She's a huge porn star now, but back when she turned 18, before she made any movies, she posed for our April 2005 issue (*Kathleen: Love Me, Love My Heinie*) looking cute as a brand-new button.

Anyways, she also posed for this second pictorial that we never ran. I asked Kathleen to swing by and look at it with me and tell us what she's been up to.

Hey, Kathleen! Check out these old photos we found of you. Omigod, I was *such* a dork! Look at me trying to be all sophisticated.

You look adorable! I look like a little kid playing dress-up! I actually wear lingerie for real now that I'm 21.

And a total porn star! We're so proud of you! Thank you! I bet [my ex-boyfriend] Luke is sorry he broke up with me *now*. Oh, yeah—the guy who didn't want to have butt sex with you. Did you finally find a guy to do the deed with? Yes! And it was awesome, just like I knew it would be. I *love* it in the ass.

Do you do anal in your movies? *Rarely*. It's, like, the most intimate act to me, so I prefer to keep it private. And save it for special guys.

Lucky guys! So, what's your, like, specialty onscreen? I think the fact that I can do a no-hands BJ.

That's so hard! Yes, but I like to do it 'cause I think it feels really good for the guy. Like, a hand feels *okay*, but it's not as good as a whole hot, wet mouth on your cock. Plus, I also like to suck on their balls.

You're talking about movies or real life? Both. I'm just really into giving super special BJs. I *love* making guys feel good.

What about girls? Oh, yeah—I'm pretty good at licking pussy, too!

What's your favorite thing? I mean, what makes you feel good? Well, someone licking my pussy.

That's in real life? That's *always*. When someone licks your pussy right, you can't even believe how good it feels. It's so awesome, it should be illegal!

I know what you mean! So, what's next for you? Just to keep making movies and having fun and living life to the fullest! ★

MY MARRIED BOYFRIEND

a true confession by Victoria Walton

photography
by mark lit

Let me start by saying, I am not a bad girl. I'm just a regular 18-year-old high school senior. I love my friends. I love shopping, and dancing on the drill team. I love my school, too—Panther Pride, Class of 2008! Senior year is the most fun ever, but I'm also excited to graduate. I plan to attend college here in my hometown of Corpus Christi, Texas, and to earn an associate's degree in dental hygiene.

See how normal I am? So when I make my confession about what happened with me and Mr. Drake late last summer, please don't think I'm evil or slutty. Because, well, I know he's married, but sometimes being really horny makes a girl crazy.

The Drakes moved into the house next door in July. They were really nice and sweet. I noticed right away that Mr. Drake was super cute even though he's at least 15 or 20 years older than me. But I wouldn't do anything about it, no way. That's what I thought at first, at least.

It all started about a month after they moved in. It was a hot day in late August, and I was out back catching a tan. My folks were off at Home Depot—which they're, like, obsessed with—shopping for shovels or something. I had the whole place to myself. There's nothing better than soaking up the rays in my bikini. I'd been doing it all summer long, every Saturday. But this time was different. I didn't realize it at first, but I had company.

I'd sprawled out on my lounge chair and dozed off for a sec. When I opened my eyes, I noticed a sneaky set of peepers in the window across the way. It was Mr. Drake, standing at his kitchen sink, staring. When he saw me looking, he played off like he was doing dishes or something, but I just laughed 'cause it was obvious he was perving.

It didn't bother me, though. Honestly, it turned me on. Sounds weird, I know, but Mr. Drake isn't some nasty old man. He's only like 36–40, max—and he looks like Dr. McDreamy on *Grey's Anatomy*, only balding. That's okay, he's still cute. He keeps his hair clipped and doesn't try to do a gross comb-over. Bald is beautiful, anyway, right?

I don't know what got into me. I decided to give him a show. I was like, I'm gonna grab the hose and do a full-on strip show. But also make it like I didn't see him there, like I just happened to be having a good time on my own.

I turned on the hose and doused myself. My skin was wet and shiny, and my nips were hard. I could see from the corner of my eye

that Mr. Drake was gaping. I was getting super wet, and it wasn't just the hose. My pussy was juicy. I guess I'm a big ol' perverted exhibitionist, 'cause showing off my body was making me way too horny. I pulled my boobs out and pinched my nips. My skin felt so good, all slippery, and every circle I made around my boobs made my clit throb. At first I was only planning on doing a cute little dance with the water, but now I wanted to masturbate.

I stuck the hose down my bikini bottoms. The water was cold, but it felt good on my puss. I had an urge to spray my butt, so I dropped my drawers and stuck my ass in the air and sprayed. It was awesome, the water throbbing against my pooter hole and dribbling

between the folds of my cooch. I was like, Wow, I could totally come this way!

The pressure and vibration on my brownie was shooting all the way through me, buzzing in my clit and cooch and making me all tense and quivery, like I get when I'm about to orgasm all over the place. I probably could have, too, if I'd kept at it, hosing my tootie all day. But basically I got impatient, and I was like, I want to come *now*! So I stuck my fingers in my cunny and did a quick rub, and pretty soon I was moaning and twitching and the hose was flying all over the place, soaking my hair and face and everything.

That was hot, and exhausting. I wobbled over to turn the hose off and flopped back onto my lounge chair for some serious napping. Mr. Drake gave me a little wave, but I pretended not to see. I sighed and dozed off, and dreamed about Mr. Drake's peen.

I woke up when my 'rents got home. Thank God I had put my bikini back on! I felt weird for a minute, like, What did I just do? It isn't the kind of thing I just bust out with on a regular basis—live free sex shows for the neighbors. But there was something about it that felt so awesome. I was just hoping that Mr. Drake didn't think I was too much of a hoochie freak. I mean, he has a wife. But it isn't cheating just to watch, right?

That was before things got really heated between Mr. D. and me. About a week or so later, Mrs. Drake dropped by to let us know that they were having a housewarming party. I answered the door and turned bright pink. Mrs. Drake is pretty and blond, but she kind of looks like a news anchorlady. My mom came over and was all, "We'd be delighted to attend the party!" And I was just thinking, *Oh. My. God. I am going to be so embarrassed. But also, I'm gonna want to jump Mr. Drake's bones.* I thought I might die from just, like, freaking out about everything!

“

I guess I'm a big ol' perverted exhibitionist, 'cause showing off my body was making me way too horny.

”

Dying or not, the night of the party arrived, and I was going. Actually, I was kind of excited. I was careful when I got dressed, though. I didn't want Mrs. Drake to think I was a ho, but I wanted Mr. Drake to notice me. My dress wasn't too short—just above the knee. Enough to show off my cute calves (*hee!*), and only a tiny bit low-cut on my boobies.

I was nervous when we rang the doorbell. Mom made me hold the coffee cake she'd made. My hands were shaking. When Mrs. Drake answered the door, I had this frozen smile on my face, and all I could think was, *Hi, your husband watched me squirt my pussy with a hose*. But instead I said, "It's very nice to meet you. Where should I put the cake?" Mrs. Drake pointed me toward the kitchen.

I inched down the hall, my heart pounding. I was sure I'd drop the cake. I swallowed a gasp when I reached the kitchen. Standing all by himself, chilling with a cocktail, was none other than Mr. Drake. He was wearing khaki pants and a polo shirt, looking sort of square and preppy, but hotter than anything.

"Hey." I plopped down the cake and rested my hands on the counter to hold myself steady. I totally wanted to faint. I was embarrassed and freaked out and horny all at the same time.

"It's great to see you, Victoria," Mr. Drake totally played it off like he'd never seen my pussy.

"You, too, Mr. Drake."

"Please," he reached out his hand. "Call me Steve."

When our hands touched, it was like stars bursting in the sky or something. I could hardly breathe. I gulped. It was gonna be a weird night for sure, but I never would have imagined just *how* weird—and awesome—it would turn out to be.

Neighbors arrived with houseplants and casseroles, wine and margaritas, and after an hour or so the whole block was hanging around the Drakes' place, jolly and tipsy. No one noticed when Steve and I disappeared into his garage workshop. He said he wanted to tell me about his hobby.

"I enjoy woodcarving," he explained, but what he really meant was, *I want to lick your pussy*.

"That's so awesome," I blathered, super nervous all of a sudden. "Sometimes I'll do, like, nail art on my friends—you know, with nail polish and tiny brushes—and I'll draw, like, kittens and palm trees." OMG, what a gay thing to say!

“ I was getting super wet,
and it wasn't just the hose.”

“That’s great.” Steve lifted me onto his dusty workbench. “May I?” he asked, slipping his hand under my dress and hooking his finger into my undies. I nodded yes. He slid my panties off, closed his eyes and huffed my undies.

“You smell amazing,” he mumbled, spreading my thighs and burying his face in my coochie. His nose tickled me. He fluttered his lips against my labes, his hot breath teasing me. I gasped and squirmed. His tongue flicked in and out of my hole.

“Oog,” I squeaked, grinding my pussy against his mouth. He clamped his lips over my puss and sucked, sliding his tongue up and down my clit, driving me *insane*. I wrapped my legs around his neck and humped his face.

“You’re making me come already,” I moaned, my knees knocking against his temples. My thighs trembled. I fell back on the dusty table and gushed in Steve’s face.

“Oooh-eeee!” I wheezed.

“Good girl,” Steve panted.

I was still spinning from that crazy orgasm when he scooped me up and plopped me on the floor, on my knees. He busted out his raging bone and brushed it against my lips.

“Now you do me.”

Fair enough, right? Sure, I felt a little weak and out of breath, but I’m almost always up for a good BJ. I mean, on a guy I really like. Not just anybody!

Steve’s dick was long, and curved like a banana, dripping with pre-cum. I opened wide and relaxed my throat. He dipped it in. It tasted salty and kind of earthy, like a big, wet mushroom—like the cute mushroom head at the tip of his dick.

“Awwww, yeah,” Steve groaned. He stuffed his hand down my top and squeezed my booby. I sucked harder and faster, cupping his furry balls and scraping my nails down his butt cheeks. He pumped hard. I could practically feel my tonsils jostling back and forth.

“I’m gonna blow it down your throat,” Steve warned me. His wad slid down my gullet like gravy.

Steve staggered back, catching himself on the table and grinning at me. I wiped the corners of my mouth and smiled.

“It was awesome to be so full,
dick and fingers inside
both my holes.”

"Damn," he said, smoothing my hair. He checked his fly. "We'd better get back to the party."

Steve stopped at the hose to wash the girl goo off his face. I wandered, dazed, into the kitchen, opened their big, stainless-steel fridge and cracked open a Diet Coke. Mrs. Drake was standing at the center island, arranging slices of cheese on a tray. I smiled at her behind the Coke can, hoping I didn't have I JUST SUCKED YOUR HUSBAND'S COCK written on my face. If I did, it was lost on Mrs. Drake. She gulped some red wine and smiled before drifting into the living room with her tray of cheese.

I woke up the next morning feeling a weird mixture of horny, excited and guilty. I had this knot in the bottom of my stomach like you get when you're in love, or at least really, really like somebody, but also I was queasy, because I knew I'd done a bad thing. But also, there's something sexy about knowing you've been bad, so I also felt horny. I got up and took a shower and masturbated thinking about Steve.

Two weeks passed and nothing happened, but Steve was stuck

his balding head, and his scalp and forehead were shining 'cause he was sweaty. He kind of looked like a lunatic, but super sexy, too.

"I saw your parents leave. I had to see you," he panted. "I can't stop thinking about you. I'm going insane."

He pulled me close and kissed me. I thought I was on a soap opera. I was almost like, "No, we can't, it's wrong!" All dramatic. But I melted in his arms, and then we were on the carpet, tearing off each other's clothes like sex beasts. In a flash I was naked and so was he, except for his tube socks, white with two blue rings.

I climbed on top and rode him. I closed my eyes and threw my head back and lost myself in the sensation of his hard cock pounding inside of me. I've never felt that hot, that *womanly*. Steve dug his fingers into my buns and pulled at my crack, spreading my cheeks. He tickled my doody hole with his thumb. It made my booty vibrate.

"Your ass is beautiful," he groaned as he flipped me over and did me doggy. From that angle he could really go for it and stuff his fingers in my tooter all the way. It felt great. It was awesome to be so

in my brain. Had it only been a one-night stand? I had to admit that I wanted to see him again. Still, I had promised myself that I wouldn't start anything. I might not go to church every single Sunday, but I know the Bible says it's wrong to commit adultery.

Just because something's wrong doesn't mean you stop thinking about it, though. I went to sleep every night with my hands in my PJs, playing back our magical night in my mind, but I didn't make up any excuses to visit next door for anything. Not even when Mrs. Drake's car was gone and Steve might be all alone, holding his boner and waiting for me! My will was totally made of steel, or so I thought. Until the stars lined up one fateful night, and I was reunited with Steve.

My dad convinced my mom to go see this totally lame, like, Iraq War movie, and I was just like, Thanks but no thanks. I thought I'd have a chill evening alone, maybe give myself a pedicure and watch *Gossip Girl*. I noticed that Mrs. Drake's car was gone, but refused to think about it. I had just dipped my feet into a bowl of warm water and bath salts when the doorbell rang.

Steve needed a haircut. His fuzzy hairs made a crazy halo around

full, dick and fingers inside both my holes, filling me up so I thought I might pop, but in a good way.

I did, too. Pop, I mean. I pressed my head to the floor and came super hard, whooping all the way like a cowgirl. I was so carried away, I didn't even notice that I made a big carpet burn on my forehead. *Oops*. That was gonna be hard to explain. Time to experiment with bangs!

When Steve left he was like, "What are we doing?" And I was like, "Beats me." I could hear the soap-opera violins in my head, and I wanted to cry, or start laughing. Whatever I felt, it was confusing.

I don't know what our future holds. I can't love or lust for Steve. He's a married man, and it's immoral. But I can't help my feelings. Lots more weeks have passed now since I've shared any passionate moments with Steve. I still think a lot about him, and I know he thinks about me. Sometimes, I'll catch a glimpse of him peeking out at me from his kitchen, and I'll give him a little flash of my boob or my pussy, just a quick peek. I'm a good girl at heart. But sometimes even good girls do bad things. ★

HANA

what a girl
wants

photography by nick gurgul

Hi, I'm Nikki the intern here in Minnesota with high school senior Hana. It may be cold up here, but the girls are hot!

About Hana: I'm down to earth. I can't cook to save my dear life. Some people could call me a nerd because I love to learn new stuff.

Hobbies: Hanging out with my friends, reading, playing Guitar Hero or Mario Kart.

Are you single? Unfortunately.

Do you like being single? Yes and no. I love my friends—most of them are guys—but sometimes I wish they'd notice I'm a girl. I want smoochies!

How many boyfriends have you had? Four. But that's counting the guy I went out with for like four hours in the seventh grade.

What do you look for in a guy? Tattoos and piercings are hot! But I like any guy with a sense of humor and a warm smile.

What kind of guys do you attract? The wrong kind.

What kind of girlfriend are you? I'm a good girlfriend because I'm low maintenance, I love sex, and I'm all about having fun.

What turns you off? Poor personal hygiene (i.e., B.O.) and arrogance. Confidence is one thing, but some guys really need to tone it down.

Do you like oral sex? Do you mean giving or receiving? I like giving head better than being eaten out. Don't get me wrong, I *love* it when a guy goes down on me. But I like to be in control, and when a guy's eating me out, I *definitely* lose control.

Have you tried anal sex? I've tried it. I loved feeling like a dirty girl, but the actual butt sex itself—honestly, it was only okay. I definitely prefer pussy sex!

What's your favorite position? Doggy-style. I like to be taken from behind.

Have you ever been with a girl? No, but I've always wanted to. I love boobs as much as my guy friends do. Plus, I heard the best way to get a guy's attention is to make out with a chick in front of him.

Do you wear panties? Yes.

Do you wear fancy panties? Sometimes, but I haven't found any I really like. I wish a guy would *give* me fancy panties and make me put 'em on for him. That would be sexy!

What's the naughtiest thing you've ever done? Besides butt sex? I don't know, I guess I kinda sorta stole one of my friends' boyfriends. But I didn't think they were still seeing each other, and *he* came onto *me*—and *on* me, for that matter! LOL!

What's your ultimate sexual fantasy? I want to sleep with the entire basketball team. Well, probably not really, but it is fun to think about. *Mmm!*

Did you like posing nude? Fuck, yeah! I'll show those stupid guys I'm a freakin' lady, dammit! ★

BECKY

little anal angel

Hi, Rachel the intern here with high school senior Becky and her amazing booty. (*Psst—I know where it's been!*)

About Becky: I've been moving from place to place pretty much my whole life. I'll be going to school for dental hygiene this fall. I make friends easily, but I have a hard time keeping in touch with them. I love to dance, and I like to keep my hands busy.

Hobbies: I love the outdoors, I like watching baseball—their pants are so tight! LOL!—and of course I like to party with my girlfriends.

Are you single? Yes, but I'm ready to give my heart away.

How many boyfriends have you had? Six total, but I've only slept with two. I'm still searching for "the one."

What kind of girlfriend are you? I'm a pretty good girlfriend. I like to please my man. But I can get jealous sometimes.

What do you look for in a guy? Someone nice, sweet and fun-loving, with no drama.

What turns you off? I don't like immature boys. It doesn't matter how old, some never seem to grow up! I should know,

I dated a few of them.

What part of a guy's body do you like best? Arms—the better to hold me with.

What part of your body do you like best? Butt. It gets the most attention from guys.

Do you like oral sex? Yes, I love the taste of peen.

Have you tried anal sex? Hell, yeah! Anal all the way, baby!

What do you love most about anal? I just love how it feels. My butt tingles with excitement.

Does anal make your pussy wet? Extremely. We're talking as wet as the ocean.

How long do you seriously think you could last in bed? All night.

What's the naughtiest thing you've ever done? Sex in my parents' bed.

What are your plans for the future? To practice oral hygiene—professionally and *personally*. LOL!

Did you like posing nude? Yes! It was so hot, I had to play with myself in front of the camera guy. ★

SUMMER

fun in the sun

Hey, it's Nikki the intern. Summer was one of my very first interviews back when she appeared with her friend Jasmine (a/k/a porn starlet Jayme Langford) in our October 2007 issue. Well, it looks like Jasmine was a bad (in a good way) influence on our girl Summer, who's doing porn now herself!

Interests: Dancing, going to concerts, swimming, hanging out with my friends, hooking up with Jasmine.

So, you're into girls? Yeah. Well, just the one girl. We're sort of seeing each other. It's cool 'cause we're best buds. We just share everything.

Are you into guys at all? Yeah. I mean, I'm not in guy-date mode right now, but I've had sex with men. I've "done the deed."

Describe your ideal guy: Smart, cute and sweet.

Do you like oral sex? Duh! Why *else* would I sleep with girls?

Have you tried anal sex? Eww! No.

What's your favorite position? I like to use a strap-on and ride Jasmine doggy-style. Or vice versa. With guys, I like to be

ridden hard.

Who's your biggest celebrity crush? That would have to be Jasmine, a/k/a "Jayme MFing Langford, Teen Goddess." LOL!

Jasmine is doing porn. Is that why you got into it? Yeah, basically. I've only done two movies so far—both of them with her. Oh, wait, there was also that seven-girl orgy [in *BARELY LEGAL* #75]. I don't know where Jasmine was for that. She was supposed to be there, but she never showed up. She totally missed out. That was, like, the wildest thing I've ever done.

Do you want to be a porn star? No, I don't plan on doing this forever. I just want to have a lot of sex and a lot of fun. So far, so good.

What are your future goals? Well, Jasmine is a good influence on me. She's a pre-med major. She wants to be a doctor, and she's way into the environment and stuff. It's hard to be around someone with those kind of brains and not have them rub off—especially when we're rubbing on each other all the time! *Hee-hee.* ★

BARELY LEGAL AUDITIONS

HUSTLER Video. Directed by Will Ryder; starring Stephanie Cane, Paulina James, Angel Valentine, Bree Olson, Honey Dejour, Lee Stone, Donny Long, Kurt Lockwood, Will Powers and John West.

BARELY LEGAL Auditions is like *American Idol* for girls who want to be porn stars. A panel of judges—none other than Sunny Lane, Aliana Love and James Bartholet—asks everyone to do sexy stuff like blow bubbles (as if they were blowing something else), dance around a stripper pole and do naughty things with a dildo. But the real test is how well they

can ride the baloney pony. And let me tell you, these girls have got it goin' on. Cute covergirl Stephanie Cane is super confident for a chick who's only had one boyfriend. She's all, "Tongue-fuck my ass," and I'm like, "Whoa!" She even licks the guy's butt hole in return! These girls are *not* shy. Big boobs are also a major theme. Bree Olson's all-natural 32Ds are bigger than my head! As if that weren't enough, the perky blonde's got mad skills when it comes to grinding and deep-throating. The video itself looks awesome as far as, like, technical stuff and whatever. These babes seriously could not look any hotter. And even though the movie's super long, it's totally action packed. The next time you want to have a boner for two and a half hours, check out *BARELY LEGAL Auditions*.

LARA & MARINA

bi bi love

Hey, guys! I'm Nikki the intern, and I'm here in the no-guy zone with Lara (the brunette) and Marina (the blonde). How jealous are you of Marina's boyfriend?! (See below....)

Nikki: Tell me a little about yourselves.

Lara: I go to college and work part time. I love music and movies, traveling, reading and going to the beach.

Marina: I go to college, too. I'm outgoing, very random, a bit dorky,

with a good sense of humor. I like to have fun and do spur-of-the-moment things.

Nikki: Are you guys lezzies?

Lara: *Umm*, I have been bi-curious for quite some time. Plus, school has been super busy, and I needed to release some stress. And then Marina came along and released it!

Marina: I've never been with a girl before this, but I always wanted to. I just got way bold when I met Lara.

Nikki: What is it you like about being with a girl?

Lara: Sex with Marina is, like, hot but relaxing. It's like friends helping each other out. With orgasms.

Marina: Yeah, it just feels natural.

Nikki: What about guys?

Lara: I'm totally into guys, but right now I'm trying to *reduce* my stress, not add to it. Every guy relationship I've had ends in heartbreak.

Marina: I actually have a boyfriend. But it's cool. He doesn't con-

sider it cheating if it's with another girl—so long as I let him watch sometimes.

Nikki: Lara, how does it feel having Marina's BF watch you guys?

Lara: It was a little weird at first, but once I start playing with Marina's cute little pussy, the rest of the world just disappears.

Marina: Aww! That's so *romantic*.

Lara: Whoa, don't get any ideas. I'm just in this for the sex.

Marina: We'll see! ★
